Hi Lene

Based on our conversation yesterday where you indicated that you'd like to see a bit more specificity around what the agency's have stated they should be in the TUA proposal, the team has made a few changes to the letter.

Please review and let us know if you able to concur/sign early next week.

Thanks

Nicole

Hi Lene, I wanted to check in and hear if you had any feedback on the attached letter.

Also, Nicole plans to attend the call on Friday with Captain Delao. I know that Keith is out, so do you know if you or Bruce are planning to attend the call in his place?

Thanks,

Hi Lene, we have a drafted a letter to the Navy that documents the Navy's intention to submit a tank upgrade proposal to us by late summer of this year. Please review and let us know if you have any comments.
